Mobile deposits MUST be properly endorsed

Deposits made using WLSEFCU's Touch-Banking Mobile App **require** you to write **“For Mobile Deposit Only at WLSEFCU”** below your signature.

Checks deposited without this proper endorsement will not be accepted. Some checks have a checkbox in the endorsement section that can be checked to indicate a deposit is a mobile deposit. **Unfortunately, checking that box does not satisfy the requirement.** The requirement is part of Regulation CC, a banking regulation set forth by the Federal Reserve.
